"Come forward and join hands with us in  
this great work for the Creator."

-- Traditional Circle of Elders,  
NORTHERN CHEYENNE

The Elders have spent years learning to  
pray and communicate with the Great Spirit.  
Their job is to pass this knowledge to  
the younger people. The Elders have told  
us we are now in a great time of Healing.  
The Creator is guiding the younger people  
to help them figure this out. We must get  
involved and participate. We should pray  
and see what it is the Great Spirit wants us  
to do. We need to sacrifice our time and do  
what is our mission – to help the people and  
be of maximum use to the Creator. Every  
person is needed to accomplish this great  
Healing.

- **MICHIGAN INDIAN LEGAL SERVICES PILOT PROJECT:**

#### CRIMINAL DEFENSE AT LRBOI TRIBAL COURT

Michigan Indian Legal Services (MILS) and the Tribal Court are pleased to announce that MILS will begin offering assistance to criminal defendants in the Little River Band of Ottawa Indians Tribal Court. Starting now, MILS attorneys will be available to represent indigent defendants facing criminal charges as part of a year-long pilot project. The service will be available and free to those individuals who meet income eligibility and other requirements.

The purpose of the pilot project is twofold. First, MILS hopes to provide high quality representation by assisting clients through the system, providing necessary balance in an adversarial system. Second, through the experience of the pilot project, MILS hopes to be able to make an informed decision as to whether we should maintain the project at LRBOI, expand into other tribal courts, or end the program as part of the commitment to serving the native communities within Michigan. MILS will conduct an ongoing program evaluation with the help of clients and LRBOI Court staff.

Those Tribal Members facing criminal charges in the Tribal Court, will be notified of this project, and given MILS contact information at the first court hearing.
